ICBT desires to offer education with integrity. ICBT does not defer from these requirements for any level of education. We cannot permit any student to do less than the required work. There are no exceptions! Students who desire a college education must be willing to do college level work. The higher level of degree, the higher level of work is required. Please be aware of this fact before you enroll in a higher level education program.

Tutoring or mentoring costs are not part of ICBT fees and are not initiated by the ICBT staff. Such help is up to an individual student. Correspondent students must be self-motivated and self-starting. Any tutoring cost, in which a correspondent student incurs, is that which he/she will initiate with a third-party, totally separate from ICBT. These are costs not related to ICBT.
